WHEREAS, the Village of Calumet (the "Village") has leased the potable and fire protection water systems (the "Water System") of the Village to Northern Michigan Water Company (the "Company") in the past; and

WHEREAS, the Village and the Company desire to make a new Agreement for the lease and operation of the water systems of the Village for the purchase of water, and concerning the Water System of the Village and the sanitary sewage system and storm sewage system of the Village, this Agreement to be entitled "LEASE, OPERATING AND WATER PURCHASE AGREEMENT" and to be dated November 25, 1981; and

WHEREAS, it is necessary for the public health, safety and welfare for the Village to acquire and construct improvements to the Water System; and

2. The proposed LEASE, OPERATING AND WATER PURCHASE AGREEMENT shall be and is hereby approved and adopted, and the President and Village Clerk shall be and are hereby authorized and directed to execute said Agreement on behalf of the Village.

3. In the event that the Agreement is not renewed upon its expiration, the Village shall forthwith adopt a rate ordinance that will provide for the collection of revenues sufficient to pay the principal of and interest on the revenue bonds to be issued by the Village to pay part of the cost of the improvements to the Water System and to ensure the payment of expenses of administration, operation and maintenance as may be necessary to preserve the Water System in good repair and working order and for such other purposes as the Village may determine.

4. This Ordinance shall be published in full in the Copper Island Sentinel, a newspaper of general circulation in the Village, promptly after its adoption, and shall be recorded in the Ordinance Book of the Village and such recording authenticated by the signatures of the Village President and Village Clerk.
