

Minutes of the Village of Calumet Planning Commission  
Tuesday, January 14, 2020

Members Present:

Colleen Kobe, Chris Green, Roxanne King

Also Present: Jeff Ratcliffe, KEDA

The meeting was called to order at 5:30 by Colleen Kobe, with the Pledge of Alliegiance.

Last meeting's minutes were approved.

Colleen Kobe reminded everyone of the MSU Citizen Planner training which is available online. There may be an in-person session next fall if sufficient interest can be generated in the general Keweenaw area. The classes would probably be held in Houghton or Hancock.

There have been no new developments in the search for new funding to update the Zoning Ordinance. However there is a plan in place and we are going to be interviewing firms which do this professionally over the next two months.

The Village of Calumet Master Plan has been sent to Chris Holmes.

*To TELL US WHAT HIS COMPANY HAS DONE RE: GOALS.*

David Geisler would like the regular meeting time to move to the second Wednesday of each month at 5 pm. Chris Green made that motion; Roxanne King seconded; motion passed unanimously.

Meeting adjourned at 5:44 pm.
