

AN Ordinance Relative to Construction of any
Building, Structure or Addition to any Buildings
within the Village of Calumet.

ORDINANCE NO. 82

THE VILLAGE OF CALUMET ORDAINS:--

Section 1. It shall be unlawful for any person or corporation to construct any building, structure or addition to any building within the corporate limits of the Village of Calumet before applying to the Common Council of said Village for a permit for the same and submitting to said Council plans and specifications of said building, structure or addition to any building, together with a plat of the lot upon which the same is to be constructed and to show the proposed location of said building, structure or addition to any building upon the land upon which it is to be constructed, and upon approval of such plans, specifications and location by the said Common Council, the Village Clerk shall issue to such person or corporation a permit authorizing the construction of such building, structure or addition to any building, and it shall be unlawful for any person or persons to proceed with the construction of any building, structure or addition to any building within the Village of Calumet until such permit shall first be obtained.

Section 2. It shall be the duty of the Village Marshall to prohibit and restrain the construction of any such building, structure or addition to any building unless such permit shall first have been obtained, and also to prohibit and restrain such construction or erection of the continuance thereof in manner not in accordance with the provisions of the ordinance, or as to the grade and location thereof in accordance with the plans and specifications so submitted.

Section 3. Any person or corporation undertaking the construction of any building, structure or addition within the corporate limits of said Village, without first obtaining the permit required, and any person or corporation undertaking or proceeding with the construction or erection of any such building, structure or addition in any manner not in accordance with the provisions of this ordinance, and any person or corporation erecting, const

ing or causing to be erected or constructed any building, structure or addition to any building in said Village in any manner not in accordance with the plans and specifications so submitted to the Council, shall be punished by a fine of not more than One Hundred Dollars, or by imprisonment, not exceeding sixty days, or by both such fine and imprisonment, together with the costs of prosecution in the discretion of the Court.

This Ordinance takes effect and shall be in force from and after its passage and publication.
