## SUMMARY OF JUNE 4, 2020, PUBLIC HEARING COMMENTS

Notes from the June 04, 2020, Public Hearing regarding Ordinances 127 and 153

I listened to the GoToMeeting recording of the June 04, 2020, Public Hearing for Ordinances 127 (Zoning) and 153 (Marijuana). Here are the comments and suggestions visitors made during the meeting. We need to discuss them, and decide which suggestions to incorporate into the affected ordinance.

The blank lines at the bottom are for comments that may have been given to you before or after the hearing, from individuals who could not attend.

**Action Item:** We need to discuss whether to include each comment in the specified ordinance, or not.

Table 1: Comments Regarding Each Ordinance

Item Number	Which Ordinance is Affected		Suggestion	Accept/Reject
	127	153		
1		x	Pro Marijuana or Pro Jeff McMahon (7 people)	n/a
2		x	Opposes Marijuana (1 person).	
3		x	Support the 1,000-foot buffer around the school property (2).	
4		x	Discard the 1,000-foot buffer around the school property (1).	
5		x	Verify enforcement is feasible. Re-examine requirements for "code enforcement officer" with LARA. Make sure if extra education is required, our code enforcement officer has or can get the education.	
6		x	Add parks to the list of buffered areas.	
7	x	x	Ordinance updates are not essential. Suspend working on ordinance updates until after the COVID-19 crisis is over.	
8		x	Add two existing residences to list of residents living in one-family, no-business structures in the C-1 or C-2 districts.	
9		x	Put the marijuana issue on the ballot. Let the voters decide whether to move forward with marijuana businesses.
