Megan

If we can use much on the 2018 Master Plan and supplement just the following:

1. Community Survey (Engagement) results provided by the Village PC.
2. Update demographics,
3. Update goals and Action Plan

I think we can pull it all together for \$8,000. Please don't share with other communities. I plan on doing the entire document myself except for a couple maps.

Let me know

John

Hi John,

Right now this is just from local funds; I have not sourced funding elsewhere yet.

Hi Megan
I hope all is well.

Will this be funded through the State or just local funds?
