Village of Calumet President and Trustees,

Please accept this letter as a request to abandon use and maintenance of the strip of land - crossing the western portion of lots 11, 12 and 13, block 33, owned by Saint Paul the Apostle Church, and the northeast corner of land associated with the Depot, owned by James and Stacey Flood, thus returning to previously established and defined conditions.

It is important that this occur, to restore order, access, and safe use of the immediately adjacent Mineral Range Depot, soon to be put back into use, and for the churches parking lot access, and safe use.

The current situation has been, and is - a hazard to the maintenance, condition and use of the Depot, and the Church parking lot, and to those who transit this strip of land, inviting a host of problems and liability concerns for all parties.

Respectfully,

Stacey Flood

James and Stacey Flood
